

TIVERTON TOWN COUNCIL LANDFILL SUBCOMMITTEE

Regular Meeting Minutes: April 18, 2007

1: Call to Order

Chairman Wyman called the meeting to order at 3:08 P.M. at the Tiverton Town Hall.

Members present: J. Fernandes, R.Hart ,D. Wilbur and W.G. Steckman (Town Administrator)

Members Absent: T. Ramotowski and D. Webster (D.P.W. Director)

2: Approval of Minutes

Continued to May 9th meeting

3: Additions/Changes/And Acceptance of Agenda

Chairman Wyman asked to invite a company interested in methane gas recovery to make a presentation to the committee. While all members present were in agreement ,the mater was continued so that members not present could be heard.

4: Public Input

No members of the public were present.

5: Gray's Pond ACM

Mr.Fernandes stated he had viewed the material being received from the Gray's pond excavation project in Little Compton and it appeared to be clean. This material is being used for both daily cover and future use.

6: Landfill Traffic Counts

Mr.Webster provided the committee with Traffic Counts from Feb. 27,2007 thru April 14,2007. Mr. Hart mentioned that the recyclables are now collected in the landfill and are included in traffic counts. The committee agreed that while the counts may be skewed ,the amount of trash and the amount of 'trips' to the landfill are decreasing. Mr.Hart asked if it was clear to the landfill operators and the public what materials were

prohibited from the landfill. Mr. Wilbur suggested that we ask the D.P.W. Director at the next meeting.

7. Renewal Of Contract with Pare Corporation

Mr. Steckman stated that the proposal is at Pare and we are awaiting a reply.

8.Trash and recycling collection and disposal contract with Patriot Disposal

The Town Council took no action on Patriots proposal to use an automated collection system. The committee was in general agreement that the timing and expense were not in the Town's best interest.

9:Alternate Monitoring for Fourth Quarter 2006

Mr. Fernandes asked for a 8 1/2" x 11" test well location map including the new test well locations. Mr.Hart said he had some questions and would like to wait for the next meeting when the D.P.W. Director was present.

10.Discuss Date of Next Meeting

All members agreed that since our next regular meeting date (May 16th 2007) falls on the day of the Annual Town Meeting,the next meeting would be held on May 9th 2007 at the Town Hall.

The meeting was adjourned at 4:18 PM.
